

Tutti Arts

Tutti Arts is the first vocational performing and visual arts programme in Australia for emerging artists with a disability.

Tutti Arts is an exciting collaboration between South Australia's internationally acclaimed Tutti Ensemble Inc and Minda Inc.

At **Tutti Arts** we provide a place and work programmes for artists with a disability to enhance their talents through working alongside professional artists.

At **Tutti Arts** we focus on creative strengths rather than disability and on developing work which reflects contemporary culture. Our intent is to encourage people with disabilities to take their place in society. This is done through offering ongoing experience of development and production at a professional level which involve:

- **Singing (solo and ensemble)**
- **Music**
- **Drama**
- **Story-telling**
- **Movement and Dance**
- **Visual arts**
- **Collaborative concept development**

While creating new work for production, artists can also improve:

- **Confidence levels and self sufficiency**
- **Verbal and non-verbal communication skills**
- **Public speaking and leadership skills**
- **Creative thinking, problem solving and conflict resolution skills**

At Tutti Arts our philosophy is:

Every person has a right to choose a career which gives their life meaning and purpose.
